The sleepy town of Wildwoods was abuzz with romance ever since a doctoral student decided to come there and find everyone's perfect match. When sophisticated city girl Stacie Summers was paired with rugged cowboy Josh Collins, they both thought it was a terrible mistake. After all, they didn't have a thing in common...other than the spark that instantly flared between them.

But even though Josh thought his survey result was way off base, he couldn't push the gregarious Stacie from his mind. And Stacie's low opinion of ranchers inched up with her heart rate whenever Josh was around. Could this unlikely friendship turn into something even unlikelier—love?
