They say London is the city that never sleeps. Man, you have no idea...

A new job, a new life and a new home, Rose has left the pain of the past behind. But if she thinks she's going to have it easy she's in for a shock. There's Roman for starters, a complication with a capital C. With the racing pulses and the x-rated thoughts, she can barely keep it together. And then he decides to drop a bombshell. It's the domino effect alright, because hot on the heels of his revelation come a few unpleasant ones of her own. Rose discovers that there is a darker side to London, an ancient secret, a world that she belongs to and one that could get her killed.

Question is, can she keep it together long enough to kick danger's arse?

A kick ass dark urban fantasy romance, filled with moon praising vampires, chic corporate werewolves, bar tending warlocks and much much more...

INTERVIEW WITH AMOS AND CASSIDY

So tell us a little about the Crimson series, what do you have in store for your readers?

Cassidy: Well, the crimson series is a dark urban fantasy with a little of everything, suspense, mystery, humour and romance. We wanted to create a huge world with several characters the readers could connect and fall in love with. We wanted a mix of supernatural characters; werewolves, vampires, witches and warlocks.

Amos: There's never a shortage of action and WTF moments, the characters are always surprising us.

Cassidy: Aside from that we don't want to give too much away, but we promise you a thrill ride you won't forget.

How many books are planned in the series?

Amos: we originally planned for three but then the story just grew so now we have four planned. The last book will be released 27th August 2015

Cassidy: It doesn't end there though because we have more stories to tell in the Crimson world. We're working on a secret project which we plan to release in 2016, and I'll let you into another secret...if you hop on over to our website you can pick up a free copy of our latest prequel novella Raven's Call!
