Coloring outside the lines has never been more enjoyable! In this ingenious book, young artists color inside the holes rather than inside the lines. Every page contains several die-cut holes for readers to color, and with each turn of the page, a surprise is revealed — a moth-eaten sweater becomes an apple tree, flowers become butterflies, hats become cars, trees become tents, helicopters become balloons, and more! With its purse-sized trim, *Holes!* is perfect for the waiting room, plane ride, or any time that calls for a quiet, creative activity.
