Masonville Shifters Volume 1: Shifter / BBW Romance Collection Ivy Reina

Masonville Shifters: Volume 1 is a collection of THREE shifter / BBW Romance stories, all with an HEA and ZERO cliffhangers! Contained in this volume are the following previously published stories by Ivy Reina: Wedding the Wolf, Wolf Seeking Bride, and Making the Alpha. Also included as a special bonus story is The Wolf's Claim, bringing the total number to FOUR stories in one collection! WEDDING THE WOLF Curvy Celeste has been through everything. After facing one heartbreak after another, she's ready to hang up dating for good. All of that changes during a chance encounter with Fabian, a wealthy shifter with gorgeous blue eyes and abs for miles. Fabian has it all—almost. He's wealthy, and is set to become alpha and inherit his family's fortune. He just has to find a mate first. After long months of coming up empty-handed, a chance meeting at a small restaurant outside of town might signal the end of his search. WOLF SEEKING BRIDE Jen's life has hit a wall. She's going nowhere faster than you can say hopscotch. Having been through a million relationships, she's over dating and just wants to spend the rest of her life with her face buried in a container of rocky road. That is, until her sister Liza tells her about a unique service offering something that might be right up her alley. Some might think Rollo Valle lives a picture perfect life, but he doesn't have everything. If he doesn't find a mate and get married soon, he won't be eligible to take over the pack and become alpha. The only problem is that every woman he meets is exactly the same. Aren't they? MAKING THE ALPHA Curvy Charlie is tired of not finding true love. She's done everything imaginable and has been in countless dead-end relationships. She's ready to lose all hope until the business card of a special kind of dating service falls into her hands. Will she take the plunge and try something new? Bale Falin just lost his father and now refuses to become alpha. He only wants one thing: to settle down and start a family. No longer interested in power, he just wants to enjoy his wealth and find a mate without dealing with the dating scene. Will turning to a mail order bride service get the results he desires? Will he ever discover the dark secret behind his father's death? BONUS STORY: THE WOLF'S CLAIM Curvy Sara Rogers has had nothing but bad luck her whole life. She finally gets fed up with her controlling, abusive boyfriend and kicks him to the curb. Just when she thinks things are beginning to look up as she flees to safety, her car breaks down in the middle of nowhere and she has no choice but to run for her life. Will someone find Sara and save her before it's too late? Drake White is successful and is living the life he's always dreamed of having. But he's a shifter, something that's frowned upon in his town. One evening, as he's running through the woods, he stumbles upon a young woman. She's lying in a bed of leaves and crying her eyes out, and he knows that he must help her. But will saving her come with its own set of problems? One thing is for certain, he can't stop thinking about how beautiful she is, and his wolf demands that he take action.
