**Rhett** J. S. Cooper

New Standalone novel from New York Times Bestselling Author J. S. Cooper

I'm Rhett.

I'm cocky because I can be. I've got it all: the looks, the money, the endurance. I'm the guy that every girl wants to be with, yet none of them have ever been able to tie me down.

I don't do love. I don't do relationships. And I sure as hell will never do marriage.

I'm all about the fast life and everything that entails. There's a different woman in my bed every week. My friends are jealous of me. My enemies envy me. Everyone wants my life. And everything in my life is absolutely perfect. At least, that's what everyone thinks.

Everything changed the day, Clementine O'Hara told me she was moving away. She's my best friend. She was my first kiss in grade school. We share everything with each other. She's the only girl I haven't tried anything with because she's off-limits to me and my friends. Only, suddenly I'm seeing her in a different light.

I'm Rhett and I don't let anything get me down. Then one night changed everything and everything I thought I knew was called into question. All of a sudden, being Rhett didn't mean so much anymore. All of a sudden my friendship with Clementine was in jeopardy and I wasn't sure what I was going to do.
