The Hockey Rock Star

Josh McKenna is hot stuff. He is a hockey star at college, leads his team to victory and has the perfect chiseled features that no girl can resist. Neither can Lorna Walters.

Lorna is a book worm, she spends all her day at the library and knows at the bottom of her heart that no matter how much she may-day dream about hunky Josh, they are never going to click.

Moreover, the only time that he does notice her, she has ketchup and mustard all over herself and cannot be more embarrassed than that.

Then of course there is the coach's daughter - Jessica Owens, the hottest girl in college with the whitest teeth. And she clearly has her eyes on Josh. There are just too many obstacles in Lorna's path to have her happily-ever-after with Josh, or are there?

The Football Badass

Rory Pritchett fits the stereotype, blonde hair, rugged good looks, a football star and constantly surrounded by all the girls he could want. So does Rory have any quirks or secrets that set him apart? Is he at all different from all the loose-mouthed, drop dead gorgeous jocks?

Carmela didn't want to be a cheerleader, she wanted to dance. Not only does she not want to be on the cheerleading team, but neither do the other girls want her there. College is nearing an end, which means she doesn't have to worry for too long about "fitting in". But wait, now that she bumped into Rory Pritchett, will life as they know it change?

.. and many more
