Vanished

Mary McGarry Morris

Vanished Mary McGarry Morris

Aubrey Wallace is the kind of man no one notices. Dotty Johnson is the kind of woman no one can ignore. One afternoon, they both disappear from the small Vermont town where they live. The next day, two hundred miles away, a toddler is snatched from her Massachusetts home.

For the next five years, Aubrey, Dotty, and the kidnapped child—bound together by strange love and desperate need—are trapped in a nomadic existence governed by their constant fear of discovery. Canny, the little girl, becomes Aubrey's entire existence. But Dotty wants out. She is tired of being saddled with this fearful little man. When she meets Jiggy Huller, a brutal ex-convict, the wheels of Canny's return to her natural parents are wrenched fatally into motion.
