I was hired by a killer in disguise.

I thought it was a job like any other, but Jake Hawthorne lied about who he really is. Now I'm trapped, the captive hostage of a dangerous man who's forcing me to be his getaway driver. I'll do anything to get away. Even seduce him. But the closer we get, the more I wonder. Is he a stone-cold murderer? Or did something terrible happen to drive him down this path?

I could have let her die, but I saved her. Why?

Alicia means nothing to me. She's just my driver. The Császár crime family turned on me. Now all that matters is hunting down the men who killed my brother and stole his daughter. Alicia just got caught in the crossfire. I'm out for revenge and I don't care how many bodies I leave in my wake to get there. Alicia and I are two broken people who lost everything that mattered to us. We probably won't even live through this. So how come when I think about her, I think I might have a future after all?

DRIVEN TO THE EDGE is a tense, fast-paced full length standalone romance between a ruthless hitman and the woman he claims as his own. Prepare for action, steam, and a HEA with NO CLIFFHANGER!
