## Musical Development and Learning (Frontiers of International Education)

How do children learn--or learn about--music? How do national cultures and education systems affect children's musical learning? Combining information, analysis and evaluation from fifteen countries, *Musical Development and Learning* answers these questions. This unique survey, written by an international team of experts, not only provides a global perspective on musical education and development but also a comparative framework designed to enable teachers, parents and researchers to learn from practice and policy in other countries.
