"The books in Michelle Fox's Huntsville Pack Series are sexy paranormal romances full of twists that will keep your heart on edge." NY Times bestselling author **Milly Taiden**

What's an alpha to do when he's found his fated mate, but she reacts to the news by kicking him in the balls?

Gretchen Halbmond became a diehard Daddy's girl the day her mother ran out on them both. She doesn't believe in love and isn't looking for it, but when her ailing father is attacked and left bloody by wolves on the wrong side of the law, she goes out in search of what she does believe in: Justice.

Sheriff Talon Garde has way too much on his plate. Humans have breached shifters' carefully guarded privacy and are about to go public. If he can't stop them, what happened to Gretchen's father is going to be the least of everyone's worries.

More importantly, despite Talon's rep as a badass alpha whose growl strikes fear in the hearts of criminals, Gretchen's scent makes him go all squishy inside. She's THE ONE, he's sure of it. There's just the small matter of convincing Gretchen it's pointless to fight fate...and surviving the way she fights it.

Standalone novel with NO cliffhanger from USA Today and NY Times bestselling author Michelle Fox.

NOTE: While this is book 2 of the Huntsville Pack series, all the books are completely standalone. The series does revisit favorite characters, but the plots don't carry over from book to book, they are resolved at the end of each story.
