Thinking Italian Translation: A course in translation method: Italian to English (Thinking Translation) Stella Cragie, Ian Higgins, Sándor Hervey, Patrizia Gambarotta

Thinking Italian Translation is an indispensable course for students who want to develop their Italian to English translation skills.

This new edition includes:

- up-to-date examples and new source texts from a variety of genres, from journalistic to technical.
- a brand new section on professionalism and the translation market

The course is practical, addressing key issues for translators such as cultural differences, genre, and revision and editing. At the same time, it clearly defines translation theories.

Thinking Italian Translation is key reading for advanced students wishing to perfect their language skills or considering a career in translation.

From reader reviews:

Jodie Long:

The book Thinking Italian Translation: A course in translation method: Italian to English (Thinking Translation) can give more knowledge and information about everything you want. Exactly why must we leave the great thing like a book Thinking Italian Translation: A course in translation method: Italian to English (Thinking Translation)? Some of you have a different opinion about e-book. But one aim in which book can give many information for us. It is absolutely appropriate. Right now, try to closer using your book. Knowledge or information that you take for that, it is possible to give for each other; you can share all of these. Book Thinking Italian Translation: A course in translation method: Italian to English (Thinking Translation) has simple shape but the truth is know: it has great and big function for you. You can look the enormous world by available and read a book. So it is very wonderful.

Mamie Esters:

As people who live in the particular modest era should be change about what going on or data even knowledge to make all of them keep up with the era that is certainly always change and make progress. Some of you maybe will update themselves by reading through books. It is a good choice for yourself but the problems coming to anyone is you don't know what type you should start with. This Thinking Italian Translation: A course in translation method: Italian to English (Thinking Translation) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Jack McCurdy:

Nowadays reading books become more and more than want or need but also become a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The information you get based on what kind of publication you read, if you want send more knowledge just go with knowledge books but if you want sense happy read one along with theme for entertaining such as comic or novel. The actual Thinking Italian Translation: A course in translation method: Italian to English (Thinking Translation) is kind of guide which is giving the reader unstable experience.

Josie Garcia:

Reading a guide make you to get more knowledge from the jawhorse. You can take knowledge and information coming from a book. Book is prepared or printed or highlighted from each source that will filled update of news. In this modern era like currently, many ways to get information are available for you actually. From media social including newspaper, magazines, science guide, encyclopedia, reference book, book and comic. You can add your understanding by that book. Are you ready to spend your spare time to open your book? Or just in search of the Thinking Italian Translation: A course in translation method: Italian to English (Thinking Translation) when you necessary it?
