Media Law: Text, Cases and Materials (Longman Law Series) Professor Eric Barendt, Rachael Craufurd-Smith, Jason Bosland, Lesley Hitchens

This book stands out from others on media law by emphasising the increasingly important regulatory and European aspects, and focussing less on more traditional common law topics. The authors take a comparative approach, using material from the USA and Commonwealth jurisdictions, as well as looking at relevant aspects of Human Rights law. The commentary is comprehensive and critical, introducing you to the wide range of technical and policy questions which are posed in the field of media law.
