Experiencing God in the Gospel of John Anthony J Kelly, Francis J Moloney Sdb S.D.B.

Well-respected scripture scholar Francis Moloney and systematic theologian Anthony Kelly have collaborated here on a theological reflection on the Gospel of John that is strongly determined by contemporary biblical scholarship.

They write with the hope, they explain, "of not only underscoring the fundamental God-ward dimension intrinsic to the Johannine texts, but of reinvigorating theology with that deeply spiritual or experiential sense inherent in this remarkable part of the New Testament."

Their joint effort will offer insight and food for thought to:

- scholars and students of theology and scripture.
- persons desiring more in-depth knowledge of this Gospel.
