Wallace Earle Stegner

Marking the Sparrow's Fall: Wallace Stegner's American West (A John Macrae Book) Wallace Earle Stegner

Winner of three O. Henry Awards, the Commonwealth Gold Medal, the Pulitzer Prize, the National Book Award, the Kirsch Award for Lifetime Literary Achievement, and recipient of both the P.E.N. Center USA West and the California Arts Council award for his body of work, Wallace Stegner is a literary giant.

In *Marking the Sparrow's Fall*, the first collection published since Wallace Stegner's death in 1993, his son Page has annotated and edited fifteen essays that have never before been published in books, a little-known novella, and Wallace Stegner's most powerful and well-known essays on the American West, which held sway in Stegner's vivid prose:

It is a country to breed mystical people, egocentric people, perhaps poetic people. But not humble ones. . . . Puny you may feel there, and vulnerable, but not unnoticed. This is a land to mark the sparrow's fall. --from *Wolf Willow*

Each magical piece of writing collected here reveals the stylistic grace, humorous outlook, and intellectual rigor that earned Stegner his enormous readership and fame.
