****Winner of a LIVING NOW BOOK AWARD**** We don't trust God. We may think we do! But when we dare to look deeply into our own unconscious mind, we'll be shocked to learn what we really believe about God and thus, about Self and world. "The End of Death Volume One: The Development of Trust" is a clear and uncompromising beacon that illuminates our current predicament, as well as the steps required in our journey home to God. Using A Course in Miracles as its treasure map, The End of Death carves a brilliantly clear and insightful path straight toward the treasure of Christed awareness. With startlingly lucid explanations, Nouk pares the Course's true message down to its most powerful essence. And the many Course quotes she includes offer undeniable proof of the argument she makes: That Jesus asks every one of us to embody full Christed awareness -- right here, right now, while still in a body -- just as He did. Included with this book: Powerful additional support in the form of diagrams, exercises, prayers and guided audio meditations downloadable from the End of Death website.
