## **The Nurse's Reality Gap: Overcoming Barriers Between Academic Achievement and Clinical Success**

Leslie Neal-Boylan

This book focuses on the challenges new nurses face in clinical settings and asks the hard questions educators have to tackle to help students be successful in school AND in practice. The book addresses the gap between academe and clinical practice--offering practical strategies for nurse educators to successfully help their students navigate the transitional period from classroom to bedside. Through the book's firsthand accounts from new graduates, nurse educators will find insight and solutions to help their scholars be successful in their future careers in nursing.
