Fiction. A Moby Dick for the 21st Century, FOR FUCKS SAKE is a story of obsession, passion, longing, vomiting, and ultimately, aimless travel to a lot of different cities and states, all in the name of true love. Follow "Robert" as he treks through the decadence of New Orleans, the petulance of Philadelphia, the opulence of New York City, and the redundancy of Winnesota (the 51st state in this great nation of ours, located between Wisconsin and Minnesota, near the Canadian border), all the time in search of that one perfect woman! Instead, he encounters a variety of feminine personas who make his life more and more miserable: a lesbian bartender who lives in the Ozarks, a bisexual bartender who follows him from NYC to New Orleans to Philadelphia, and finally, a straight woman who is the wife of his best friend.
