## **Into The Jaws Of The Lion (The Arkana Archaeology Mystery Series Book 5) N. S. Wikarski THE ARKANA ARCHAEOLOGY ADVENTURE SERIES**

Where do you hide a mysterious artifact that is reputed to have the power to change the course of history? You scatter clues to its whereabouts across the entire planet. Five objects buried beneath the rubble of lost civilizations point to the hiding place of the fabled Sage Stone. The real adventure begins when a secret society known as the Arkana deploys its agents to recover the relic. They unfortunately find their quest hampered at every turn by members of a fanatical religious cult called the Blessed Nephilim. The cult's leader, Abraham Metcalf, believes that the Sage Stone can help him create a terrifying new world order.

Although keeping the relic out of Metcalf's hands is important, it is even more critical to keep him from finding the Arkana's troves of archaeological treasure. This cache, which has taken centuries to amass, proves the existence of advanced matriarchal cultures on every continent predating patriarchy by thousands of years. The Nephilim would like nothing better than to destroy the cache and its guardians. The global treasure hunt for the Sage Stone has put the Nephilim and the Arkana on a collision course. The only question is whether anyone will survive long enough to claim the prize.

### **Volume Five - Into The Jaws Of The Lion**

Hot on the heels of their victory in Africa, a new clue sends the Arkana team to India in a race to claim the fourth Minoan relic. Beating the Nephilim to the prize is the least of their worries. Abraham Metcalf's plan to release a deadly plague on an unsuspecting world moves one step closer to reality as does Leroy Hunt's recapture of Metcalf's child-bride. Every effort to throw the mercenary off the girl's trail only draws him nearer to his prey.

A rift among the members of the Arkana team threatens to destroy the relic hunt altogether. Held captive on a frigid mountaintop in the Himalayas, they are forced to summon all their resources not merely to complete their quest but simply to survive the night. If you thought you knew where this saga was heading, be prepared for a shocking twist when Cassie, Erik and Griffin wander blindly INTO THE JAWS OF THE LION.
