Social Inclusion: Societal and Organizational Implications for Information Systems: IFIP TC8 WG 8.2 International Working Conference, July 12-15, ... in Information and Communication Technology)

This book presents the proceedings of the Working Conference on the societal and organizational implications for information systems of social inclusion. The contributed papers explore technology design and use in organizations, and consider the processes that engender social exclusion along with the issues that derive from it. The conference, sponsored by the International Federation for Information Processing Working Group 8.2, was held in Limerick, Ireland, in July, 2006.
