Transform math instruction with effective CCSS leadership

The Common Core State Standards for mathematics describe the “habits of mind” that teachers should develop in their students without which the content standards cannot be successfully implemented. This professional development resource helps principals and math leaders grapple with the changes that must be addressed so that teachers can implement the practices required by the CCSS. Included are:

- A clear explanation of the CCSS for Mathematical Practice
- Techniques to help leadership teams collaboratively implement and maintain the new standards
- A proficiency matrix with examples of instructional strategies for helping students reach competency in each standard
