Everyday, someone somewhere must come to terms with the need to rebuild their life. **Yes, You Can Begin Again** is an inspirational book which offers valuable insight into picking up life's broken pieces after crisis and rebuilding a new life. While I realize that there are numerous books already published on the subject of "beginning again," this book offers hope to all crisis victims while also targeting Christian families who serve in leadership. There are ministry families facing crisis due to multiple addictions and dysfunctions within the home, yet their fears, shame, distrust and even denial often prevent them from seeking the help they need during this crucial period. As a church leader, I experienced unprecedented personal crisis when I learned that my husband of 25 years was living a secret life, had multiple addictions and was in denial. This book addresses the effects of this crisis upon me personally, our son, our church, and my husband's ultimate self-destruction. **Yes, You Can Begin Again** not only demonstrates how I walked out my crisis experience, but celebrates how God loved me through it and helped me rebuild and find new purpose and fulfillment in my life. I'm confident that as crisis victims read this book, they will receive hope and healing. They will make their comeback and do exploits!
