She's at it again, **she just can't help it**. She can't help wondering what it would be like to **feel his firm body under her hands**.

He's the hot young neighbour next door, all **hard, rippling muscles and bronzed skin**. He's been working outside all day long under the burning hot sun. When he offers to help her out, she has to wonder. Does he mean just helping her with her yard? **Does he want something more?**

Surely he can't want her. Surely she must be mistaken. If that is the case though, **why are his hands all over her?** Doesn't he know that she's married?

She can't help but feel something stir inside of her, an **aching need** that is demanded to be fulfilled.

Infatuation: Working Out the Young Neighbour is the first part in an erotic short series about a wife who shockingly finds herself yearning to submit to the young stud next door. This sexy story is only for adults.
