My Friends George and Tom (My Friends...) Jane Duncan

Janet Sandison comes home to the small fishing village of Achcraggan in Scotland. Behind her are ten years of happiness with her husband Twice, whose death has brought to an end their life on the island of St Jago in the West Indies. Before her lies a new career as a novelist and a return to the countryside of her childhood- and above all to George and Tom who were her closest friends, mentors and allies, in those early days. But now, Reachfar, the family croft on the hill overlooking Poyntdale Bay, has been sold and George and Tom in their old age are living cheerfully if haphazardly in Jemima Cottage in the village.

Janet, George and Tom quickly take up their lives together after nearly forty years apart; Janet buys and converts an old barn on the shore and the three of them set up house. Janet, who has not found it easy to face the loss of her beloved Twice nor to adjust to the strange new world of the professional writer, rediscovers with delight that the old Reachfar values still hold a firm grip on her family and neighbours, but the one thing she cannot face is the ruin of the Reachfar croft itself. Not even the urging of her young nephews and niece- the Hungry Generation- will persuade her to climb the hill. This psychological problem is only a small part of the dramas and happenings, some sad, some joyous, which fill the pages of this enchanting and wonderfully enjoyable book.

Readers of any or all of Jane Duncan's 'Friends' novels will rejoice particularly in My Friends George and Tom, for the wise and funny characters of the title have played important supporting parts in many of the earlier books and finally have a book which is triumphantly their own.

Not only through written or printed but also can you enjoy this book through e-book. In the modern era including now, you just look because of your mobile phone and searching what your problem. Right now, choose your own ways to get more information about your review. It is most important to arrange you to ultimately make your knowledge still change. Let's try to choose appropriate ways for you.

Michelle Favors:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or even make a summary for some publication, they are complained. Just very little students that have reading's heart or real their hobby. They just do what the educator wants, like asked to go to the library. They go there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise words say, many ways to reach Chinese's country. So, this My Friends George and Tom (My Friends...) can make you truly feel more interested to read.
