Learn to use the UK's number one small business accounting software!

A reliable accounting system is integral to the success of any small business and QuickBooks is the finance program you need to handle your financial and business management tasks efficiently. This eagerly awaited book shows you how to use this popular software to build a budget, process payroll, create invoices, manage inventory, balance accounts, and much more—all without having to hire expensive financial professionals.

After discovering the best way to install and setup QuickBooks, the authors show you how to use QuickBooks to maintain your accounting records to comply with tax laws, enter data, keep track of your cheque book and credit card accounts, and produce common financial reports that track every penny coming in and going out.

- Shares proven secrets for building a solid budget
- Details how to track accounts receivable and payable
- Provides clear steps for keeping track of inventory as you purchase and sell items
- Highlights ways to track who needs to get paid, who owes money, and what needs to get done

QuickBooks "X" For Dummies, UK Edition addresses the unique needs of UK businesses and helps you keep your business in the black.
