**Dakota Weaver just wants to finish her dissertation and forget her past. Unfortunately, her favorite professor is making that impossible.**

Jaden Dark Eagle knows what it's like to want to forget as well, but he's not prepared to discuss it with the Lakota woman half breed who has just showed up on his land, trading her heritage for a good grade.

He might have gotten roped into letting her live with him to teach her the shifter ways of the Sioux tribe, but he's not so sure he owes her anything else.

So why does it bother him so much that his best friend, Joseph Sleeping Bear, is looking at her so closely?

Can Jaden and Dakota work through their pasts and see what's right in front of them, or will running from the truth be the end of both of them?
