The IVP Women's Bible Commentary

The IVP Women's Bible Commentary

What does the Bible say to a young mother at home nursing her baby? What role models for intelligent, talented women can we find in Scripture? What was everyday life like for women in biblical times? What does Scripture say to women who have been abused or raped? What can men learn from women by viewing Scripture through their concerns and insights? This surprising commentary searches Scripture in light of the many theological, biblical, sociological and psychological concerns of women. Led by editors Catherine Clark Kroeger and Mary J. Evans, an international team of contributors offers thoughtful, engaging insight to complement more traditional approaches that have viewed Scripture primarily through the experiences and understanding of men. Fresh, practical and helpful, the *IVP Women's Bible Commentary* shows how relevant Scripture is to the legitimate concerns of men and women alike--and just how transforming God's Word can be when viewed from unaccustomed perspective. This reference work will be welcomed by pastors developing sermons, by Bible study teachers and leaders preparing lessons, by college and seminary students researching study assignments, and by individual readers who want to broaden their understanding of the richness of biblical revelation.
