The Lady's Secret Joanna Chambers

London, 1810

Former actress Georgiana Knight always believed she and her brother were illegitimate—until they learn their parents were married, making them heirs to a great estate. To prove their claim, Georgy needs to find evidence of their union by infiltrating a *ton* house party as valet to Lord Nathaniel Harland. Though masquerading as a boy is a challenge, it pales in comparison to sharing such intimate quarters with the handsome, beguiling nobleman.

Nathan is also unsettled by Georgy's presence. First intrigued by his unusual valet, he's even more captivated when he discovers Georgy's charade. The desire the marriage-shy earl feels for his enigmatic employee has him hoping for much more than a master-servant relationship...

But will Nathan still want Georgy when he learns who she truly is? Or will their future be destroyed by someone who would do anything to prevent Georgy from uncovering the truth?
