Divorce or not to Divorce a Million Dollar Question: if you are in a relationship, you really should read this KAREN FARBEROV-KOTLER

In today's world, for many a couple, divorce seems the easy way out, when things get tough, however it is not as easy as it seems and does not always present the solution to the bigger problems that led one or both spouses to opt out of the marriage. All couples, no matter how long they have shared their lives, run into problems and challenges along their shared road through life.

In this book, Karen shares some insight on why couples get divorced and also provides a coherent and concise guide on how to decide whether dissolution of the marriage is what is called for in different scenarios. This guide is a highly valuable read for all couples, whether they are at the very beginning of their journey together or whether they have "endured" many years together.

This unique look at relationships and divorce will provide all with a clear cut understanding on what it really means to get divorced and how to decide, if you are considering it, but more importantly, it sheds some much needed light on what it takes to make a marriage succeed. ?
