Exilio y poder (Spanish Edition)

José Herrera Peña

Exilio y poder (Spanish Edition) José Herrera Peña

En estas páginas se reseña la vida personal, familiar y política de varios mexicanos, especialmente Melchor Ocampo, Benito Juárez, José María Mata y Ponciano Arriaga, durante su confinación dentro del territorio mexicano y su destierro fuera de él, por el gobierno de Antonio López de Santa Anna, de abril de 1853 a agosto-septiembre de 1855; los problemas a los que se enfrentaron, entre ellos, el Tratado de La Mesilla; los intentos de anexión de Baja California: el proyecto de la república de la Sierra Madre (con los Estados de Tamaulipas, Nuevo León, Coahuila, Chihuahua, Sonora y Baja California); la tentativa de independencia política del Estado de Guerrero; las formas que encontraron para preservar la integridad territorial de la nación –salvo en el asunto de La Mesilla- y los procedimientos para promover -con sus ideas, actividades y bienes- la oposición contra la dictadura santanista, hasta lograr su caída dos años y cuatro meses después de su reclusión y destierro; su regreso a la patria -al triunfo de la revolución de Ayutla- y su breve pero intensa participación en los asuntos públicos nacionales; su actuación en el gabinete del presidente Juan Álvarez; los antagonismos ideológicos y políticos de las fracciones del partido liberal (la de los puros y la de los moderados), antagonismos reseñados por Ocampo en su opúsculo "Mis quince días de ministro", y la caída de los puros, empezando por el propio Ocampo, en octubre de 1855, y terminando con el presidente Álvarez, en diciembre de ese mismo año.
