The Road Too Often Traveled -: A Collection of Articles on Learning Disabilities, Autism, ADHD, Dyslexia, Special Needs, and Related Issues Shelley Tzorfias

Shelley Tzorfias, author of "Recovering Autism, ADHD, & Special Needs", is pleased to present a collection of her much enjoyed articles on Autism, ADHD, Dyslexia, Special Needs, and related issues that were published in print and online. The short articles are a good way to introduce various controversial topics that you can present to those that you know who are generally on the fence or non-supportive of the real issues that are behind Autism, ADHD, Vaccinations, and so on. Knowing that they won't read a whole book, perhaps giving them a short article to read will get them to consider an alternative position.
