Brave New World

Aldous Huxley

Brave New World Aldous Huxley

Veteran actor Michael York gives voice to Aldous Huxley's famous tale of three citizens of a future world who gradually awaken to its true nature — bleak, homogenized, and drugged-out — and are determined to escape its control. The remarkably timely themes of cloning, individual creativity, and freedom, and the role of science, technology, and drugs in our future are the subject of this great work first published 70 years ago.
