[Menage Amour: Erotic Rubenesque Sci-Fi Menage a Trois Romance, M/F/M, HEA] Aliens are taking over the presidential election, and only one human is immune to the mind control rays. The plate in Lily Madison's head protects her from the criminal Girvan Lee's mind control weapons, but she is stubbornly determined to find out what is going on. Not even the sexy hunks dressed as Roman gladiators will get in her way. Ryder and Saber Rhoma are intergalactic bounty hunters. They believe the human woman, Lily, is their life mate, but she is resistant to their charms and attempted seduction. The stubborn woman doesn't believe she can have them both in her bed, but they must have the patience to claim their mate. If that doesn't work, they aren't above abducting her to their home planet and seducing her into their shared bed. Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
