Attachment Theory According to John Bowlby and Mary Ainsworth Andreas Krumwiede

Seminar paper from the year 2001 in the subject Psychology - Developmental Psychology, grade: 1,7, University of the Arts Berlin, language: English, abstract: I will first provide a brief historical outline of the origin and development of attachment theory, closely linked to the biographical data of its founder John Bowlby. Later I would like to point out some characteristics based on which the attachment of a person can be classified. I believe this information to be important with regard to teaching, since the teacher is acting in the environment between the institution of school, family and child. I would like to include some of the approaches in which this knowledge could be used in an everyday school setting.
