Class and Society in Shakespeare (Continuum Shakespeare Dictionaries)

Paul Innes

Class and Society in Shakespeare (Continuum Shakespeare Dictionaries) Paul Innes

The Continuum Shakespeare Dictionaries provide authoritative yet accessible guides to the principal subject-areas covered by the plays and poetry of Shakespeare. The dictionaries provide readers with a comprehensive guide to the topic under discussion, its occurrence and significance in Shakespeare's works, and its contemporary meanings. Entries range from a few lines in length to mini-essays, providing the opportunity to explore an important literary or historical concept or idea in depth. Entries include: apothecary, bear-baiting, Caesar, degree, gentry, Henry V, kingdom, London, masque, nobility, plague, society, treason, usury, whore and youth. They follow an easy to use three-part structure: a general introduction to the term or topic; a survey of its significance and use in Shakespeare's plays and a guide to further reading.
