Community Ecology

Rory Putman

Community Ecology Rory Putman

This book is aimed at advanced level undergraduates and offers them an overview of the major issues and developments in community ecology over the past few years. The text assumes throughout some familiarity with general concepts in ecology as might be provided by the majority of first and second year undergraduate courses or more general textbooks. Each section in the book is self-contained and where prior knowledge is assumed, a brief recapitulation is offered of necessary background.
