A fading realm, a warrior bound, and the woman who will save them both... Bound to a vengeful goddess, immortal warrior, Reynner, has little time for the fairer sex. The last thing he wants is to be aligned with another female, even if she is the key to finding an artifact and saving his realm. But his stone-cold resistance is tested, his attraction undeniable for the feisty mortal, until she demands the one thing he cannot give her...his trust. Eve Leighton avoids intimacy of any sort after an accident in her teens left her with a painful ability to see into another's mind through physical contact. When an ice-cold warrior claims she is his world's savior, she's intrigued, until she dares a look into his soul and sees a man who's been cruelly betrayed. She agrees to help him and loses her heart. But the man is an unassailable fortress. With quiet determination, she chips away his barriers and a passion darker than night pulls them under. As his enemies close in on the hunt for the artifact, Reynner must overcome his own personal demons as battles are fought to claim the woman he loves or lose her forever. And Eve has to face her own mortality and fight for a love of a lifetime.
