Hiroshima Mon Amour Marguerite Duras

Jacket description/back: One of the most influential works in the history of cinema, Alain Renais's Hiroshima Mon Amour gathered international acclaim upon its release in 1959 and was awarded the International Critics' Prize at the Cannes Film festival and the New York Film Critics' Award. Ostensibly the story of a love affair between a Japanese architect and a French actress visiting Japan to make a film on peace, Hiroshima Mon Amour is a stunning exploration of the influence of war on both Japanese and French culture and the conflict between love and humanity.

Jill Williams:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Hiroshima Mon Amour can make you feel more interested to read.
