KING 3: A BAD BOY ROMANCE

Landon

I live an incredible life--is that my fault? Should I stop having fun, meeting beautiful women, sleeping with beautiful women--just to make everyone else feel better that their lives aren't half as exciting as mine?

No, I didn't think so.

Unfortunately, my father has other ideas. And now I've got one week to convince him and the rest of my old school, English family that I've changed my wild ways and settled down with a "proper" girl.

The problem?

Claire's not what I expected. She's not my type...only, she's making me feel things I've never felt before. This was not part of the plan. And now everything is in danger of being ruined...

Claire

Meeting Landon could be the best thing that's ever happened to me ... or the worst.

He's handsome, arrogant, brash and richer than God. Or he will be if I can help him for just one week, convincing his family that we're actually in love and not just scheming to help him inherit the family business.

If the plan works, he'll pay me a quarter of a million dollars.

But if he finds out who I really am, he'll call off our deal.

And I can't let that happen. Not just because I desperately need the money ... but because every second I spend with Landon feels like I'm in the best kind of dream. And when he touches me, everything stops and it's as if the world is holding its breath.

Maybe I'm crazy. Maybe I'm addicted.

Or maybe I'm about to make the biggest mistake of my life ... falling in love with a man who can't be trusted.
