Mr. Midshipman Hornblower Cecil Scott Forester

Horatio Hornblower was born in C.S. Forester's fertile imagination and became arguably more famous, certainly more personal, than Nelson, Cook and Drake combined. He fought in a dozen major campaigns during the Napoleonic wars, and it was in these pages that we first got a glimmer of just how much Bonaparte was hated, and why.

Forester's genius was not tidy, and so this story, which sets Hornblower on course at age 17, is Forester's sixth book about him, though it should have been the first. LIEUTENANT HORNBLOWER, which follows it, carries the intrepid young man another step forward in his career.
