"Hilarious and sweet and downright dirty in equal measure. Give me more please!!!" - Nikki Brooks

Shifters live among us. And they thrive best in Seattle, hometown of billionaire bear shifters and the curvy women strong (and lucky!) enough to love them. Join **Amy, Steph, and Cleo**--and their hunky shifters--in three **complete** interlocking romances. **Shifters in Seattle will bring you to the edge of your seat, make you laugh out loud, and inspire your steamiest fantasies.**

YOU'VE GOT BEAR: Amy and Zach

In life, they're at odds. On e-mail, they're in love.

Curvy chocolatier Amy has finally found the perfect storefront. What she doesn't know is that her mysterious landlord-to-be is a billionaire bear shifter--and she is his fated mate. Trouble is? Zach's the reason she's so goddamn desperate in the first place. It would be easier to hate him if he didn't melt her panties, but she could never trust the man who is making her life hell.

Grizzly bear shifter Zach doesn't have time to court Amy the way she deserves. He's too busy protecting his billionaire family from savage wolf shifters attacking their properties across the Pacific Northwest. He knows she wants him, and he helped her business, so why won't she trust that he's serious about her? Zach is a shifter who knows how to get what he wants, but convincing Amy of his love might be the biggest challenge he's ever faced.

BEAR WITH BENEFITS: Steph and Rex

They're just friends. It's just sex. Trouble is? He's a bear shifter and she's his fated mate.

Curvy nurse Steph has sworn off relationships. Plus she hates Rex, the most arrogant doctor at her hospital. Once fate throws them together, though, they can't help but become friends. With benefits. When nothing goes as planned, his primal ways wear down her defenses and Steph has to decide whether it's worth it to take a chance on true love.

Billionaire bear shifter Rex recognizes Steph as his fated mate, but keeps it casual so she's not scared off. While he courts the only woman he could ever love, he must also battle a mysterious disease devastating the Seattle shifter community and a monstrous outsider who will do whatever it takes to stop the disease--even murdering innocent shifters. But when Rex has to choose, does he save his true love or his family?

BEAR ACTUALLY: Cleo and Peter

Curvy Cleo loves working for the sexy mayor of Seattle, Peter Conrad--but she has no idea he's a shifter. No human knows. When Cleo discovers she has only a short time to get pregnant thanks to a rare genetic disease, she is determined to take Peter's flirting to the next level and seduce him. As Cleo battles her inclination to fall in love with her sexy boss and tell him everything, she tries to stay the course toward her one chance at pregnancy. But when she finds out he's a shifter, will she still want Peter to be her baby daddy?

Billionaire bear shifter Peter recognizes Cleo as his fated mate, but he has sworn to keep his shifter life a secret from his constituents--including the only woman he could ever love. When a disgruntled lawyer threatens to expose Peter's double life, he must choose whether to save the shifter community or his one true love. Having a baby is out of the question, or is it?
