What makes you wealthy? Are you, like most people, thinking: 'Money'? If so, get ready to turn that idea on its head - it's time to realize that wealth comes first. This book will transform your attitudes towards wealth and money and show you how to achieve financial freedom and lasting prosperity.

In the midst of the worst financial crisis in decades, we need all the help we can get, and one of the greatest gifts you can give yourself is a financial education. People who know about finance are using it to their advantage, right now. Wealth is flowing fast towards the financially informed. Governments and banks are exerting control and the middle class is being financially squeezed more than ever. It's time to open our eyes and get smart about wealth.

Do you really understand the roots of the current financial crisis?

More importantly, do you know what to do to preserve and grow your wealth? The Financial Advisor to Building Wealth is the book you need.

- Packed with practical advice for wealth creation
- Action-focused and motivating
- Structured into bite-sized articles for effective learning
- Clear and jargon-free

Entrepreneur, financial advisor and personal development coach Thomas Herold has put together a set of profound insights and action-focused learning resources, which will transform your attitude to wealth and help you create abundance in your life.

Herold, author of three previous books with 200,000 copies published worldwide, sets out simply and clearly how our financial system works, and how you can use it to your advantage.

Change The Way You Think About Wealth

What really makes us prosperous? Can you imagine a life where wealth doesn't simply equal the balance of your bank account? Changing your financial mindset opens up new, exciting ways to become wealthy. You'll learn:

- How to recognize hidden factors that influence your financial decisions
- Why going against traditional financial wisdom is the best choice right now
- The real difference between money and wealth
- How to build habits for lasting financial success

One of the most precious gifts you can give yourself these days is a financial education. Once you know why the current crisis is happening, you can do what you need to protect and grow your wealth. The Financial Advisor gives you invaluable, practical advice on how to think about wealth, and how to create wealth for

yourself.

Transform Your Attitudes And Your Actions

It's time to think differently and the Financial Advisor is a perfect guide through the complexities of modern finance. You'll be surprised and delighted at the insights you'll encounter. This book will confirm what many have felt for a long time: the accepted wisdom of 'how to get rich' is just not working for most people. You'll discover:

- What is really going on in the economy and markets
- What caused the current crisis and where it's going to lead
- Where the few safe havens for your wealth lies
- How you can still make money in a hugely volatile market

The Financial Advisor is a resource you will dip into over and over. You'll find information on useful blogs and websites, apps for iPhone and iPad, workshops and other learning resources, to continue your valuable financial education.

This edition of the Financial Advisor is based on the publications of the successful Online Wealth Building Course from the **second quarter of 2011**. Herold has put together action-focused resources, based on:

- Understanding what's happening to you and your money
- Changing what's not working based on new money rules
- Shifting your mindset from money to wealth
- Securing your retirement funds

Up to date, relevant and practical, the Financial Advisor is an ideal primer for building real, sustainable wealth.
