Susan Williams

The People's King: The True Story of the Abdication Susan Williams

The People's King follows the six intense weeks leading up to the abdication of Edward VIII, considered by many to be among the most compelling love stories of the last century. Just six months before their wedding, the only people who had heard of Wallis Simpson were those people who belonged to the tiny social circle surrounding the royal family. Press coverage and newsreels were strictly censored. Through contemporary letters and diaries, many never before published, Susan Williams demonstrates the huge popularity of the King and the events that led to his downfall.
