Tina Donahue - Let the Games Begin. Former shy bookworm Tiffany Taylor has always wanted Nick Marlow, not that he ever noticed. Now, with a controlling interest in Nick's Las Vegas casino and a new sultry look to match, Tiffany's got his full attention. But Nick has no intention of giving up his area of expertise, gaming, to Tiffany. Instead, he presents a wager: They'll play strip poker for control...but if he wins, he wants a night of passion - nothing forbidden, nothing held back. As clothes and inhibitions are shed, a sizzling game of temptation begins, and all bets are off...Jen Nicholas - Not Another Fairytale. She may write for the nation's biggest romance magazine, but outspoken, jaded Allison Dare doesn't believe in happy endings...until J.T. Freedom falls into her apartment - literally. Six feet tall with washboard abs that could make a grown woman cry, J.T. is like something out of a fairytale...if Prince Charming happened to be unconscious with a huge bump on the head and another in his...oh, gosh, there's the door. Once the hunky P.I. comes to, he lets Allison know just how badly he wants her and how willing he is to make her hottest dreams come true. It's a bedroom fantasy that's sexy and anything but Snow White, but it just may be the start of living very happily ever after...Jordan Summers - Private Investigations. Cara Martin is determined to prove herself as a private investigator, but it's hard to seem credible when you're on your hands and knees staring into the navel of the man who has occupied your fantasies for more than a decade. Breaking into files during a Christmas party was the plan; getting caught by gorgeous Brandon Walker wasn't - especially since he works for the enemy. Brandon remembers Cara as a pesky nuisance from his childhood, not this hot breaking-and-entering babe. Now, he wants in on her investigation, and he's perfectly willing to show her how good his own skills are when it comes to very private matters...
