A Journey Through Documentary Film Luke Dormehl

From *Nanook of the North* to *Exit Through the Gift Shop*, an overview of nonfiction film history from the early pioneers to the directors dominating the field today

As one of the most fascinating areas of filmmaking, documentaries have broken down societal taboos, changed legislation, strengthened and rocked entire governments, freed wrongly convicted prisoners, and taught us more about the world in which we live. This overview of documentary history takes readers from the early "actualities" of pioneering nonfiction filmmakers such as Robert J. Flaherty and John Grierson, to the documentaries of Michael Moore, Errol Morris, Werner Herzog, and the directors dominating the field—and box office—today. An essential resource for film students, documentary buffs, filmmakers, and anyone interested in nonfiction film, it looks in-depth at more than 60 documentaries from around the world, covering a century of cinema, to illustrate what "documentary" means, and the changes and transitions that have occurred in nonfiction filmmaking over the years. Covering films such as *Night Mail*, *Night and Fog*, *The Sorrow and the Pity*, *F for Fake*, *The Thin Blue Line*, *Hoop Dreams*, *Fahrenheit 9/11*, *Grizzly Man*, and *Man on Wire*, each analysis includes an introductory synopsis, as well as detailed notes on the film's production history, filmmaker, unique innovations, construction, and key themes and issues.

From reader reviews:

Efrain Floyd:

Book is actually written, printed, or created for everything. You can realize everything you want by a e-book. Book has a different type. As it is known to us that book is important thing to bring us around the world. Beside that you can your reading talent was fluently. A book A Journey Through Documentary Film will make you to become smarter. You can feel much more confidence if you can know about almost everything. But some of you think that open or reading any book make you bored. It is not necessarily make you fun. Why they are often thought like that? Have you looking for best book or appropriate book with you?

Thelma Martin:

Nowadays reading books become more and more than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that improve your knowledge and information. The info you get based on what kind of reserve you read, if you want get more knowledge just go with education and learning books but if you want experience happy read one using theme for entertaining for instance comic or novel. The A Journey Through Documentary Film is kind of reserve which is giving the reader capricious experience.

Krystal Sutherland:

Information is provisions for individuals to get better life, information today can get by anyone on everywhere. The information can be a know-how or any news even restricted. What people must be consider if those information which is inside the former life are challenging to be find than now is taking seriously which one is acceptable to believe or which one the resource are convinced. If you receive the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take A Journey Through Documentary Film as your daily resource information.

Carmela Martin:

A lot of people always spent their particular free time to vacation as well as go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, or maybe playing video games all day long. In order to try to find a new activity this is look different you can read any book. It is really fun for yourself. If you enjoy the book you read you can spent all day every day to reading a reserve. The book A Journey Through Documentary Film it doesn't matter what good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. If you did not have enough space bringing this book you can buy typically the e-book. You can m0ore easily to read this book from the smart phone. The price is not to cover but this book possesses high quality.
