In the Still of the Night Samantha Sommersby

It begins with a chance encounter on a train. Psychiatrist Wesley Atherton meets the woman of his dreams, but when the train derails, a series of events are set in motion that has Wes racing against Death itself in order to save his new love, Katherine. Confronted by the unimaginable, Wes struggles to hold onto his own sanity as the couple fight against the dark force that endangers them and all those they hold dear. Wes and Katherine quickly realize that it's a fine line between madness and mysticism, and between what's normal and what we don't understand. And it's a line they must cross to win. Samantha Sommersby weaves an intricate tale of love threatened by ultimate evil. *In the Still of the Night* delivers a knock-out punch that will keep you on the edge of your seat and leave you begging for more.
