International Institutions: An International Organization Reader (International Organization Special Issues)

International Institutions: An International Organization Reader (International Organization Special Issues)

This collection presents a wide range of theoretical approaches to international institutions. The volume is organized in four parts, each introduced by the editors. Part I covers current theories. Part II offers empirical studies on international organizations, international environmental problems, the European Court of Justice, and international trade. Part III covers the compliance debate, and Part IV contains theoretical and empirical critiques of the literature.
