Key Bible Concepts (Myrtlefield Encounters) (Volume 1)

David Gooding, John Lennox

Key Bible Concepts (Myrtlefield Encounters) (Volume 1) David Gooding, John Lennox

How can one book be so widely appreciated and so contested? Millions revere it and many ridicule it, but the Bible is often not allowed to speak for itself. Key Bible Concepts explores and clarifies the central terms of the Christian gospel. Gooding and Lennox provide succinct explanations of the basic vocabulary of Christian thought to unlock the Bible's meaning and its significance for today.

Myrtlefield Encounters are complementary studies of biblical literature, Christian teaching and apologetics. The Definition of Christianity throws fresh light on the Book of Acts and observes how the first generation of Christians identified and defended the unique features of the gospel. Christianity: Opium or Truth? offers new perspectives on perennial—and crucial—questions such as the problem of pain and the exclusive claims of Jesus Christ. The Bible and Ethics presents a concise survey of leading events and people, ideas, poetry, moral values and ethics across both the Old and New Testaments. The books in this series engage the minds of believers and sceptics. They show how God has spoken in the Bible to address the realities of life and its questions, problems, beauty and potential.
