"Paul the Apostle," featuring more than seventy photos of places the apostle had visited, is a comprehensive, absorbing study of Paul against the historical background and milieu of his age. The study is not a defense or criticism of Paul, but an in-depth study of his life and thought with the aim of knowing Paul as he really was. Stuart H. Merriam, Ph.D., received his doctorate in church history from the University of Edinburgh, Scotland. He pastored two Presbyterian churches in Virginia and New York, before founding in 1964 the Highland Christian Mission in Papua New Guinea, where he currently serves as director.
