## **The Zen of Beard Trimming: Stories of Punk Rock, Poverty and the Search For Peace (The Rock River Literary Series Book 2) C.J. Campbell**

Like a modern-day Candide, writer C.J. Campbell started his journey to achieve peace in the bosom of a safe environment with a well-meaning adviser to guide him, and like Candide, he journeyed out into a world where everything went wrong, sometimes in hilarious ways, sometimes in excruciatingly heartbreaking ways, but always in entertaining ways. Seven years of his travels are painstakingly detailed in his memoir *The Zen of Beard Trimming*. Punk rock meets leaving Christian Evangelism meets Scandanavian models meets a mismatched cast of unlikely characters and scenarios in a fearless, brutally honest chronicling of the time-honored search for (meaning, love, peace, an apartment, food, and a damn microphone that works).
