Mindset of Miracles: Stories and teachings of how to purposefully create the life you prefer NOW!

Pamela Ann Ezell

If you are reading these words, it is because you have asked for this knowledge to come to you at this time. It is because your soul is searching for something—for the touch of the Divine, for joy, for comfort, for hope, for happiness. You are seeking to understand why certain things have occurred in your life. You thirst for true knowledge. You desire to forge a happy life. I'm Pamela Ann. I teach people how to command their world with exactness and even put a date on it! I can declare these bold statements because I have continually witnessed an astonishing, extraordinary phenomenon. Shortly after my amazing, motivated clients begin their first training session, they feel an awakening and a shift toward a peaceful relief and awareness; their eyes begin to see their world in a new reality. They also begin to experience other powerful feelings such as renewed hope, well-being, acceptance, profound love and enlightenment. That shift can come in a variety of forms, from a gentle “Ah-Ha!” moment to a joyful mind-blowing experience. Notice that I describe these individuals as motivated clients. They are people who are open and teachable, ready to receive and activate within something more deeply meaningful and satisfying in their immediate lives. They are prepared to let go of fearful, sabotaging, distracting stumbling blocks and useless worries that have paralyzed their progress toward the life goals they desire. These individuals are also prepared to release ego, pride and embarrassment plus indoctrinations, lifestyles or rote habits. They are ready to rid themselves of traditions that no longer serve them or provide value in their daily lives while still embracing their core beliefs. They are the seekers of genuine abiding joy and invigorating happiness undisturbed by any person or situation in this finite world. Now ask yourself this question: “Am I one of those motivated individuals?” If your answer is, “Yes!” you too can learn how to purposefully dial in what you would love to create in your life, business, health, finances and relationships. These principles are simple eternal laws that can be applied to any situation you encounter. Through the stories presented here, you will receive answers to many questions you have. This knowledge is also written for people of all ages, backgrounds and walks of life. Whether you live in a simple tent or a regal mansion, you were created to experience immense joy in every moment of this life. In this book, you will discover step-by-step examples showing you how to invoke this soul-healing Power and have it come alive in you. You will learn how to personally connect to it and create the world you prefer. You will also discover how to allow that Power to flow into every moment of your existence, if that is your desire. You will learn how to create miraculous occurrences through different stories of real life experiences. The steps taken to deliberately form those miracles are given to you through individual narratives as well as through Take Action! suggestions at the end of each chapter. At any time, you can start applying these simple steps and usher similar miracles into your own life. By the way, no matter what your current situation, you can change your life at any time, make course adjustments or even embark upon a completely new adventure. Allow yourself to feel a tickle of hope and excited anticipation for the adventure you are embarking on. Let this change occur in your mind—better yet, in your entire soul so you can receive and develop your Mindset of Miracles.
